

10 reasons to make this a Safety Smart Ambassador summer!

LifeSmarts continues its partnership with Underwriters Laboratories (UL) and its Safety Smart Ambassador Program this summer, bringing students and coaches more good reasons to participate in this outstanding program. The goal of this exciting opportunity is to teach younger children clear and confidence-building safety messages. We provide everything you need: the presentations, lesson plans, worksheets, and videos featuring Timon and Pumbaa from Disney's *The Lion King*. You take it from there—present the fun, entertaining content to kids ages 4-10, and you can use it to meet a variety of educational requirements such as community service or service learning.

Start today! Here are the Top 10 reasons to become a Safety Smart Ambassador this summer:

- 1** Apply for a LifeSmarts Safety Smart scholarship. Make your presentations then complete and submit presentation reports and your scholarship application. Six \$1,000 scholarships will be awarded in December 2016.
- 2** Bank Safety Smart presentation reports for prize drawings and possible travel stipends to the 2017 National LifeSmarts Championship in Pittsburgh, PA.
- 3** Engage young children in a summer program that shares confidence-building safety messages that they can share at home.
- 4** Design your own summer school project using the Safety Smart program as a curriculum.
- 5** Use the Safety Smart Ambassador Program to build your resume and beef up college apps.
- 6** Plan and complete a community service project before the deadline.
- 7** Meet goals with programs such as FCCLA's Teach and Train, FBLA's Community Service Project or Leadership in Action in 4-H.
- 8** Integrate Safety Smart with volunteer opportunities at day camps, church groups, public libraries, summer school programs, or other organized programs for children.
- 9** Hang out with your LifeSmarts team and join the summer competition online August 1.
- 10** Submit presentation reports for a chance to win one of our monthly prizes for you and your team.
