

Instructions: For this part of the quest, you and your team will complete an outline of a college application essay. Start by choosing an essay topic and then completing the remaining sections. *Remember:* use your teams' persona and identified college from the first part of this quest.

College Applicant Essay Choices- Pick one

- "Tell us about a challenge/struggle you have encountered and how it affected you"
- "Tell us why you want to attend college about what your future career plans are"
- "Tell us something interesting about yourself"

As a team answer the following:

Essay Section 1: The Introduction.

Question: Given your essay choice, what would you write about in your introduction?

Essay Section 2: Supporting Point #1.

Question: Section two typically supports your introduction. What would you say here?

Essay Section 3: Supporting Point #2

Question: Section three further supports your introduction and the builds on your first supporting point. What would you write about here?

Essay Section 4: Supporting Point #3

Question: Section four further supports your introduction and the builds on your first and second supporting point.

Essay Section 5: Conclusion

Question: Your conclusion reviews points one, two and three. What would you write about here?
