

# Play TeamSmarts!

Monthly LifeSmarts practice tool, prize opportunity, and state and national competition

TeamSmarts, the LifeSmarts Web-based team competition, is a great practice tool for a team of students to use together. Each month from September through January, teams are asked 100 multiple-choice questions focused on one LifeSmarts topic. TeamSmarts offers monthly prizes, and is part of state and national competitions.

## Monthly Topics:

- September - Health and Safety
- October - Personal Finance
- November - Consumer Rights and Responsibilities
- December - Technology
- January - Environment

## TeamSmarts quizzes allow teams to compete for:

- Monthly prizes in the Monthly TeamSmarts Challenge from September through January. Every month, the first place JV, Varsity, FBLA, FCCLA, and 4-H team each receives \$100 cash award
- Points for their state tournament
- The state title in states with online-only competition
- Points toward automatic bid qualifications and more
