

SPEED DATING THE EXPERTS ROUND 4

TELL ME WHAT: TECHNOLOGY ICONS

Circle the question number on your scorecard if your team's answer is correct.

	A. 1—2—3—4—5—6—7—8—9—10—11—12	
	B. Lucky Seven Points 1—2—3—4—5—6—7	

Directions:

This round requires your team to demonstrate knowledge of **Icons used in Technology**. The captain of your team will be given twelve icons. Using your knowledge of technology, name what the icon represents. Your team may confer and the captain will give the answers.

The scorekeeper will circle the number of cards in the correct position after I verify your answers. Each item is worth one point.

You have **seven** minutes to complete this round including the *Lucky Seven*.

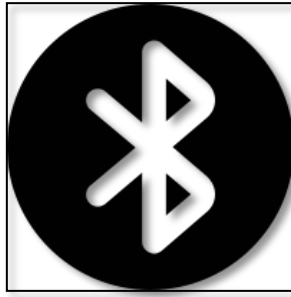

At the end of this round, I will verify your score and you will move on to the next expert.
