## Special Announcement

*from the LifeSmarts program*

---

**Dear LifeSmarts Coaches,**

We're excited to announce the virtual National LifeSmarts Championship to be held April 17-19, 2021. We are planning a fun, exciting, engaging, and memorable virtual event. As your team competes online and prepares for your state competition, we wanted you to be the first to know what the National LifeSmarts Championship will look like this year.

LifeSmarts will hold its double national championship for 2020 and 2021 State Champion teams. We will use a new virtual buzzer competition and an interactive event platform to host team competitions. There will be other competitions and fun events, too. Stay on the lookout for event agendas and additional information from us over the next few weeks.

There is nothing more important to LifeSmarts than the health and well-being of our coaches and students, and we are excited that we have found a way to bring the National LifeSmarts Championship to our deserving state winners this year. We're motivated by the unique opportunities of a virtual event and the chance to bring the LifeSmarts community together this spring for spirited competition and celebration.

**[Follow our website for more information as it's available.](#)** Please feel free to reach out to us with any questions you have. In the meantime, stay safe, stay healthy, and stay LifeSmart!

All the best,  
The LifeSmarts Team
