*Learn it. Live it.*

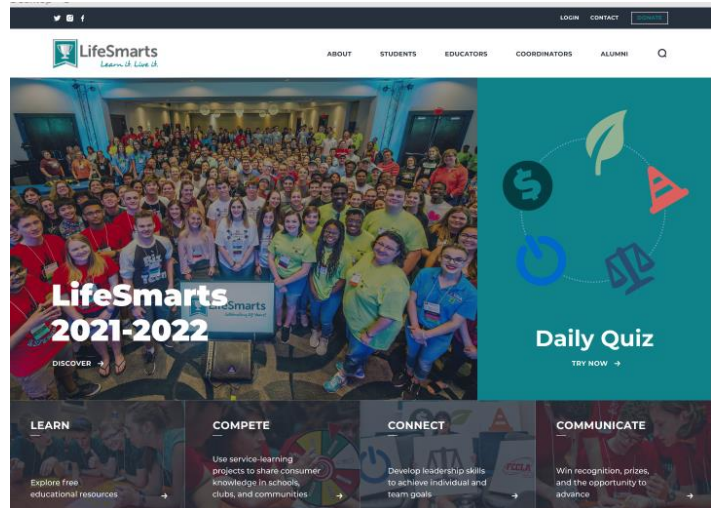

**LifeSmarts Alumni Update, September 9, 2021**

Dear Alum,

We are so excited for the LifeSmarts program year launch next Monday, September 13! We will kick off the 28<sup>th</sup> year of LifeSmarts providing real-world education to middle and high school students, and offering a myriad of exciting opportunities for students and educators as well. Thank you for your continued involvement in LifeSmarts – we could not do it without our dedicated alumni!

## Program Updates

1. Here is a sneak peek of the new LifeSmarts.org home page – going live Monday!
2. We have reorganized content to help users navigate the program and all that it offers – users will now see learn, compete, connect, and communicate buttons on the home page and throughout our e-newsletters and social media.
3. Each year, Alumni have reached out to ask how they can ‘give back’ to LifeSmarts as volunteers, coaches, or state coordinators. The LifeSmarts Team is working with the LifeSmarts Alumni Advisory Board to put together a Q&A session about becoming more involved in the LifeSmarts community near you! Stay tuned and check your email!

In the meantime, please reach out if there are any questions that I can answer for you.

Best regards,
