Scholarship alert! Apps due 11/ 1

Encourage your seniors and recent grads to complete their applications for a [Toyota Making Life Easier Scholarship](#). Our friends at Toyota Financial Services are once again providing \$1 million in scholarships to college-bound students, and LifeSmarts participants and alumni are eligible through the partnership LifeSmarts has with Toyota.

LifeSmarts participants and alumni who are high school seniors, high school graduates, current post-secondary undergraduates, and graduate students are eligible to apply for scholarships of up to \$20,000 distributed over four years. Scholarships will be paid to accredited two- or four-year colleges, universities, professional schools, or vocational-technical schools in the United States.

The application deadline is November 1, 2021. Urge your students to begin the application process today, as LifeSmarts must verify each applicant's past participation in the LifeSmarts program.

LifeSmarts students and alumni are among the scholarship winners every year!

We would love to have your students benefit from this opportunity. Urge your LifeSmarts students to apply today!
