LifeSmarts Alumni Update, March 3, 2022

Dear Alum,

We are mere weeks away from the 2022 National LifeSmarts Championship! We are going to be live and in-person in Washington, DC – the first in-person competition in three years! Don't miss out – please join us to volunteer!

Program Updates

1. First – we want to congratulate all of our 2022 State LifeSmarts Varsity Champions; 2022 is set to be our biggest in-person competition ever! Scroll down to see the full list and see if your high school will be coming to LifeSmarts this spring.
2. If you haven't yet, please sign up to volunteer at the National LifeSmarts Championship. We will have applications for young alumni to apply for assistance with hotel rooms. We always welcome alumni to serve as our expert judges, question masters, and event volunteers! [Click here to sign up as a volunteer.](#) // [Click here to reserve a room in our hotel block.](#)
3. The LifeSmarts Alumni Advisory Board is assisting the LifeSmarts Team in planning our first in-person Alumni Meet-up during the 2022 National LifeSmarts Championship. While high school students are busy studying (remember when that was you?) the **LifeSmarts Alumni will gather in DC on the afternoon of Saturday, April 23rd.**
4. We are also planning a virtual Alumni Meet-up/Game Night in June to welcome our Class of 2022 Alumni! We are currently looking into virtual escape rooms and Jackbox games. If you have suggestions or ideas, please reach out to the Alumni Association Manager, Elena Robertson, at elenar@nclnet.org

Dancing like it's 2016! @ the Mixer in Denver

We look forward to seeing you all soon. Please reach out if you have any questions.

Best regards,
