

Practice Questions: Easy Round 4

State Varsity LifeSmarts Competition 2017 Question Master Script/Round Difficulty: 1-2

Note to Coordinators: Use the opening script in Round 1 (Pages 1-2) for at least the opening round of the competition. The scripts throughout the rest of the document are shorter versions of the rules.

I would like to invite our teams to come forward.

(Wait while the teams are seated on the stage.)

My name is _____ and I will be the Question Master for this round of competition. I would like to ask the other officials working with me to introduce themselves.

Before we begin, we would also like to meet you. Please introduce yourselves and tell us what grade you are in. Captains, please introduce your coach and tell us a little bit about your school. (Start with the student closest to you.) _____ (Name) would you please introduce yourself.

Thank you.

The rules for this round are the same.

(If the first round is individual questions:)

The first round of competition is individual questions. Each participant will be asked one question. You are the only person who may answer the question. You must give your answer within 10 seconds. Each correct answer is worth five points.

Next will be the team-plus round.

Here you'll use the buzzers. In the team-plus round the first question is for the first player on each team. The person who buzzes in and gives me the correct answer wins control of the question, and that team will have a chance to answer two additional questions on the same subject.

That's the end of the first round. Great match! Let's check the scores.

(Read the scores or ask the scorekeeper to read the scores.)

Do we have any alternates? (Wait for alternates to be seated with their teams.)

We'll move on to the team-plus round. Remember, I must call your name before you give your answer. Then you will have five seconds to answer. If the first person to buzz in gives an incorrect answer, or does not answer within five seconds, the eligible player on the other teams can buzz in.

After your team gains control of the question, you may work as a team to solve the next two questions. When you are working as a team, you have 10 seconds in which to provide your answer.

Each correct answer is worth five points.

Before we begin, let's test the buzzers.

(Ask all students to test their buzzers, starting with the student to your far left, and going down the line. The timekeeper will reset the buzzers after each student tests his/her buzzer.)

Thank you.

Are you ready teams?

All right, this question is to the first player on each team. Grab your buzzers!
