Compete: LifeSmarts / FBLA Spring Challenge

Today's TeachSmarts tip is to compete in the LifeSmarts / FBLA Spring Challenge.

The LifeSmarts / FBLA Challenge is a competitive event with the Future Business Leaders of America (FBLA). Competition begins with teams of two competing online. The Spring Challenge is open now through February 25. Thirteen lucky teams (one per state) will qualify to advance to the live, virtual Finals in May. These teams will join the 11 teams that qualified in the LifeSmarts / FBLA Fall Challenge. [Click here for additional information.](#)

Good luck to all our FBLA coaches and teams! We look forward to meeting the top 24 teams online in May!
