Tip: Apartment safety

[Apartment safety](#), with a focus on fire safety, is today's TeachSmarts tip. Renting an apartment is a first step to independence for many high school graduates. This lesson reminds young renters to put safety first when choosing a place to live.

You can:

- Show the [Apartment Safety & Security PowerPoint](#)
- View the [ConsumerMan Video about house fires](#) (YouTube)
- Check [vocabulary comprehension](#)
- Use the [Apartment Safety, Checking It Out](#) activity and [Answer Key](#)
