LifeSmarts Alumni Update, September 2022

Dear Alum,

LifeSmarts is back for our 29th year, with new questions, new partners, and even more opportunities for students. We are excited to launch our new website, with updated content and more information specifically to help our alumni with lessons to help you succeed after high school!

Program Updates

1. LifeSmarts kicked off the new program year on Monday, September 12. We are excited to debut our brand-new website and welcome back educators and student competitors! The portal to register and begin competing will open on September 19 with improved functionality and new competitive opportunities.
2. Nearly 1,800 new competition questions were written this summer. Thanks to those of you who contributed! You'll see these used at every level of competition throughout 2022-2023 and beyond.
3. The first LifeSmarts Alumni Advisory Board meeting will be held Tuesday, September 27, at 6 PM Eastern. We look forward to meeting with our new and returning Alumni leaders – if you have an interest in shaping the LifeSmarts Alumni experience, reach out to Elena Robertson at elenar@nclnet.org.

We look forward to a new year. Please reach out if you have any questions.

Best regards,

Lisa Hertzberg
