		Sample Action Plan	
Duration	Activity	Detail	Materials
4 minutes	Introductions	Prompts to introduce the team:	
		What is a LifeSmarts Privacy and Security mentor?	
		Who are we? Say something fun about yourselves to relax your	
		audience or tell a social media story.	
			•
	Opening Questions to the	What are the differences between private and secret?	
	participants	Is private information always secret?	
6 minutes	1. Content Vocabulary, JV	Distribute or post the Basic Content Vocabulary List.	
		Prompt: Today we are going to review and learn some terms	
		that you should know if you use social media.	

describe the terms, adding examples that are common for their age group. Toolbox Activity Choices			Give a few minutes for participants to read the list, then briefly				
Toolbox Activity Choices FishBowl Prompt: We are going to play a game to help learn some facts about the privacy and security measures you should use or be aware of. Read game directions Agree, Disagree, Maybe If Prompt: Let's explore what you know and think about privacy and security. Why do you think this is important to understand? Read game directions OR ask participants to complete the worksheet and then conduct a discussion, including the information in the Discussion Prompt sheet. Video: "Your Digital Footprint" Prompt: When you use social media it is your job to manage and care for your digital identity. This short video talks about being careful about what you share online. Privacy Game Prompt: You make decisions about your privacy every day, especially when you go online and use your mobile or other digital devices. Often, you may not spend a lot of time thinking about each of these decisions. This game will start a discussion about your understanding of privacy.
