Funding opportunities

Scholarships

LifeSmarts honors our highest achieving students, for individual excellence and team performance.

\$30,000 provides scholarships for a complete program year for all teams.

\$15,000 provides scholarships for 1st and 2nd place teams;

\$10,000 provides scholarships for 3rd and 4th place teams;

\$5,000 provides scholarships for individual winners and prizes for top individuals and teams.

LifeSmarts content and curriculum

Contributions support the development of new curriculum on issues of interest to partners. LifeSmarts takes great pride in its up-to-date content, which requires frequent assessment and revisions. *A \$25,000+ gift helps keep LifeSmarts challenging, relevant, and appealing to educators and students.*

Website

Students compete online and educators access resources throughout the year at LifeSmarts.org. *A gift of \$25,000 underwrites the costs of the Website for an entire program year.*

Printed materials

National program staff, state coordinators, and coaches rely on printed materials to market the program and share curriculum. *A gift of \$25,000 supports printed editions of the "Coach's Guide," LifeSmarts incentives, and marketing collateral.*

National-level sponsorship

All sponsorships at the \$25,000 level and above are specially recognized throughout the program year, at LifeSmarts.org, in press outreach, and in all print materials. We thank our 2022 banner sponsors: Johnson & Johnson, Tide, Melaleuca, Comcast, Discover, Meta, American Express, and NortonLifeLock.

Sustained involvement with National Partners

Strong partnerships with FBLA (Future Business Leaders of America), FCCLA (Family, Career, and Community Leaders of America), and 4-H make LifeSmarts available to more than 500,000 members of these student leadership organizations. *A gift of \$30,000 supports these partnerships for a program year.*

Training camps

At LifeSmarts Training Camps, hosted periodically across the country, students learn, compete, and have fun, while educators gain new teaching resources and competition strategies. The camps help State Coordinators set roots in new communities or attract teams. Attendees include educators, community leaders, 4-H Clubs, FCCLA and FBLA Chapters, and more. *A \$25,000 gift funds a Training Camp in a new location.*
