

LifeSmarts + Nationals = Fun!

Apply for a Varsity LifeSmarts Wild Card Bid!

The Varsity Wild Card bid process provides an opportunity for additional teams to be invited to compete and contend for scholarships and prizes at the National LifeSmarts Championship in San Diego, CA in April, 2024! Teams may apply for a Wild Card Champion spot by completing a multi-step process:

1. Take the Wild Card Quiz

Working together, teams will take a special Wild Card TeamSmarts quiz available in the team captain's quizzes, December 1. Teams are also encouraged to complete all Varsity topic and team quizzes.

2. Team Presentation

Teams will choose from suggested LifeSmarts topics and design a PowerPoint or Prezi presentation. The PowerPoint will consist of 8 educational slides and 1 reference slide.

3. Coach Statement:

The team coach will provide demographics and will submit a statement on LifeSmarts' influence in their club, chapter, classroom or community. Tell us why your team should be invited to compete at Nationals.

Additional Information

[Check complete rules online!](#) Visit our [Curriculum and Lesson Sharing Forum](#) for examples of presentations from past Wild Card winners!

Deadline to submit an application:

Teams should submit their wild card application by February 23, 2023. Teams with state competitions later than that date will still have an opportunity to apply!

Win big with LifeSmarts!

Wild card teams are granted a travel stipend and are eligible to earn additional travel stipends, scholarships, and other prizes at the National LifeSmarts Championship!
