OVER-THE-COUNTER MEDICINE SAFETY

GRADES 5-8
PRE-ASSESSMENT

Pre-Assessment (continued)

Medicine Safety

Q5. Are the following statements True or False? Check one answer for each row.	TRUE	FALSE	NOT SURE
Children over 12 can take over-the-counter medicine without a parent's permission if they carefully read the label.			
Medicine should be stored in the container it came in.			
One gulp from a bottle of liquid medicine is exactly one tablespoon of medicine.			
Over-the-counter medicines can be dangerous when misused.			
Prescription medicine can be found on the shelves in some stores.			
Prescription medicine is meant to be used by one person.			

Q6. Are the following statements True or False? Check one answer for each row.	TRUE	FALSE	NOT SURE
The Poison Help Line is a good place to call if someone has taken too much medicine.			
Medicine should be kept on the kitchen counter so you remember to take it.			
Taking more medicine than directed will help you feel better faster.			
Taking more than one medicine with the same active ingredient will help you feel better faster.			
If you have questions about an over-the-counter medicine you have not taken before, you should ask a friend who has taken it before.			
You can call the Poison Help Line even if it isn't an emergency.
