LifeSmarts Alumni Monthly Update, March 11, 2025

Dear Lifesmarts Alum,

We hope you're having a great start to spring! The LifeSmarts team is in full swing preparing for the **2025 National LifeSmarts Championship**, where up to **50 teams** will compete in **Chicago, IL, from April 24-27**. We'd love to see many of our amazing alumni there!

Program Updates:

1. **State Competitions Wrapped Up:** This was a fantastic year for LifeSmarts, with more states than ever participating in both virtual and in-person competitions. A huge thank you to everyone who contributed to this success!
2. **[Help Us Recruit Volunteers for Nationals:](#)** Can't make it to Chicago due to school or work commitments? We'll forgive you (just this once)—but we'd love your help in recruiting new volunteers! Encourage friends, family, or colleagues to get involved in this rewarding event.
3. **Alumni Room Scholarships:** Thank you to everyone who applied for the **LifeSmarts Alumni Room Scholarship!** We wish we could have awarded more. If you weren't selected, consider rooming with old teammates or fellow alumni—let us know if you need help finding a roommate!
4. **[Support the Virtual Junior Varsity Championship:](#)** The **Junior Varsity LifeSmarts program** is thriving, and we're excited to host our **second-ever Junior Varsity National LifeSmarts Championship** on **May 14, 2025!** This competition is for middle school students nationwide, and we'd love alumni involvement. If you're interested in helping out, please contact **Cheryl Varnadoe**.

Stay Connected! We love hearing from our alumni! Share your **professional or personal milestones** with us, and you might be featured on **LifeSmarts social media**. [Click here to share your update!](#)

We hope to see you in Chicago!
